COMMANDER'S CALL:

Greetings All,

I hope everyone had a great summer.

Thank you to all our wonderful volunteers who work so hard to make our Post the best in the district.

Thank you to the Scripps Ranch High AFJORTC color guard for their outstanding performance at the POW/MIA Remembrance Ceremony, BZ.

We have a very busy next three months. Please check the monthly calendars, Facebook, the Post electronic bulletin board and the many flyers displayed at the Post to stay updated on all the upcoming events.

Now I am going get on the proverbial soap box. We are one of the largest Post in the San Diego District with that said, our member participation should be much higher. I am speaking to my Brothers and Sisters, my Comrades. We have a small group of Auxiliary members and comrades who volunteer to do all the work around the Post and they come to all our functions. They have spent countless hours cleaning, cooking and managing the canteen and so much more. No complaining, no excuses, just getting the work done that is needed to keep our Post heading in the right direction all the time. This kind of devotion and dedication is not unheard of and it's found in most all Military service organizations—VFWs, American Legions and FRAs to name a few. Whether it is love of county or just wanting to make a difference by giving back, thank God we have them. So what I am asking of all of you is to try a little harder to make a difference at Our Post. When we have a function or event show up and support this great organization we all love. I also know most of us are on a fixed income, but I am encouraging you if you're going to make donation to your favorite charity, make that charity VFW 7907 we are a nonprofit. Remember we are here to help Veterans and their families.

As the Commander I take this position very serious, failure is not an option for me. We have a lot of projects still in the works and I could use all hands on deck to keep this old girl looking and running great. Please contact me or any of my officers with suggestions or comments you might have. We also have a suggestion box in the canteen which I check weekly.

If there is anyone who knows of a veteran or veteran's family in need please contact me, Ed the Service Officer or Chaplain Don.

Let's make October a great month, looking forward to seeing all of you around the Post.

God Bless America and all our service members.

In Comradeship,

Commander Bill Kimble

FROM THE AUXILIARY PRESIDENT:

As we head into fall, I want to take a moment to remind everyone of all of the wonderful things we did during the summer months. The Auxiliary teamed up with the Post and accomplished a whirlwind of supportive events. We had members participate in a 5k run for Wounded Warriors; everyone worked and supported our Family Freedom Festival where we promoted youth scholarships, collected clothing for homeless Veterans via Stand Down, supported the local crafters and promoted membership for both the Post and Auxiliary; supported our District Auxiliary fundraiser; held 3 different fundraisers for Shelter to Soldier; the Auxiliary made 100% membership and last but not least, we had FUN!

I truly believe, the key to 7907's proven success is the Post and Auxiliary work together in supporting each other. I know this is not the case at all Post's and I sincerely want to thank all of the Post members for your continued support of our Auxiliary. Of course, it goes without saying, this wouldn't be possible without great leadership so a special thank you to Commander Kimble for always making sure the Auxiliary succeeds in all of our ventures!

As we head into fall and pretty much immediate "holiday mode", I want to remind everyone to keep up the support for both the Post and Auxiliary and continue to support our Veteran's as best as we can.

Thank you for all of your support!

Dawn Ragnar

FROM THE HOUSE COMMITTEE CHAIR:

We have had a lot of events the past few months as well as our hall being rented out. Hall rentals are important for us both financially as well as spreading the word about the VFW. Please be sure to keep us in mind for your personal parties and be sure to tell friends about us.

I also want to mention that we are still very much in need of volunteers for cleanup. Not just Saturday's but for AFTER events and meals. Currently, the people that cook and serve food are also the ones who clean. It would be great if a few people committed to helping clean up afterwards. Like on Monday or Friday nights. If several people just committed to 1 day a month, it would help ease the work of the few that have been doing it week in and week out. Please consider giving just a few hours a month.

Of course, I want to make sure to thank everyone who works so hard already. We have one of the nicest Posts in the District and it's because of everyone that steps up. Bravo Zulu to my clean up crew and the other volunteers!

Thank you,

Tim Ragnar

FROM THE CANTEN MANAGER:

Let's start with a big THANK YOU to everyone who's been coming on Monday nights! Commander Kimble spends a lot of time shopping and preparing food every week, so be sure to stop in on a Monday to give it a try if you haven't yet.

Behind the bar, we have a few highlights to share. The first is Bud Light draft, Michelob Ultra and Budweiser bottles are back as well as our seasonal Sam Adams Oktoberfest.

Also, we are really taking a hit on credit card fees. Although we have been shopping around for better merchant rates, we have discovered that we are getting the standard rate for the amount of business we process. One change to help offset this issue is, starting October 1st, we will be implementing a \$20 minimum to use any electronic payments (i.e. credit cards, Apple Pay) fee free. If you use a card for less than \$20, there will be a \$2 fee.

Don't worry if you don't carry cash! Everyone is welcome to use our ATM machine. Did you know that the fee charged with our ATM machine goes back to supporting our Post?!?! That's right, you can help the Post 2 different ways by not using your card and getting cash when you're in the bar.

Now for what's going on at the Post, well compared to the past few months, October is relatively slow. We're kicking off with an Oktoberfest on Friday, October 4th (see page 3 for details), Sunday, October 6th we have a booth at the Poway Fall Festival (on Midland Rd) and of course, Monday, October 21st is our 4th Annual Golf tournament! Homecoming: A Spiritual Analogy of the 80th Anniversary of Leyte Gulf Landings

Palo, Leyte: Philippines

This "Homecoming: A Spiritual Analogy of the 80th Leyte Gulf Landing Anniversary" article is written on the 80th Leyte Gulf Landing Anniversary on Sunday October 20, 2024. A joint medical and gift giving mission led by the local government unit in Palo, Leyte and "Operation Help One Another" (OHOA) led by Chaplain Don Biadog, Jr, originally from Talisay, Negros Occidental, honoring the sacrificial services of all the members of the United States Armed Forces in the Far East (USAFFE). I included the story of General Douglas MacArthur because of his strategic role in liberating the Philippines including my parents Manuel and Emiliana Biadog and millions of Filipinos during WWII. Finally, I made a fascinating spiritual analogy of the Christian teaching on the Second Coming of Jesus Christ. The Bible teaches that Jesus is coming back again. The Apostle Paul said, "For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus, we shall always be with the Lord. Therefore comfort one another with these words" 1 Thessalonians 4:16-18 (NKJV). The Apostle John said, "Behold, He is coming with clouds, and every eye will see Him, even they who pierced Him. And all the tribes of the earth will mourn because of Him. Even so, Amen" Revelation 1:7 (NKJV).

Homecoming is a joyful occasion. Deployed service members in combat zone or training at sea or foreign soil look forward of coming home to their families and friends such as the USS Mount Whitney (LLC-20) sailors and staff experience returning to Gaeta, Italy on Saturday October 3, 2015, after an extended nine-month availability in Rijeka, Croatia. The United Service Organization (USO) Naples team was there during the "Welcome Home Heroes Day." USO's whose motto "Until Everyone Comes Home," aims to boost morale to returning warriors and awaiting families by bringing goodies and friendly greetings and cheers during the homecoming of warriors. Students anticipate the day when they are home for the holidays. High School and College graduates homecoming is customarily a

jubilant event such as the William Carey University's homecoming Alumni Award celebration on April 20, 2018, in Hattiesburg, MS. I was blessed to receive the Alumni Hall of Fame Award. Honored guests during ceremony included my mentors and long-time friends Pastor Travis and Karen Moore and Pastor Doyle and Linda Moore. They taught me and many others about the eternal spiritual "Homecoming" of all Christians. Troops and their families stationed overseas count the days when they finally can return to the Continental United States (CONUS), the home of the brave and the land of the free. Homecoming is generally a blissful experience indeed.

Two major historical and biblical personalities stand out - One served in the military and the Other served and gave His life for mankind, promised to return or a homecoming to group of people they loved.

On Wednesday March 11, 1942, Douglas MacArthur, an American five-star General and Field Marshal of the Philippine Army, left Corregidor Island, Philippines, hesitantly. He promised to return to his soldiers, sailors and the Filipino people who were about to be captured by the invading Japanese forces. While on travel in Terowie railway station in South Australia on March 20, 1942, MacArthur uttered the famous speech, "I came through and I shall return."

In 33 AD in Mount of Olives, Israel, Jesus Christ promised His disciples to come back. Jesus said, "Let not your heart be troubled; you believe in God, believe also in Me. In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also" John 14:1-3 (NKV).

MacArthur said, "I shall return." Jesus said, "I will come again." "I shall return" means that there is a possibility that I may come back. It also implied that I may not make it back. In other words, it was not a hundred percent sure General MacArthur would be able to keep his promise to return. On the other hand, when Jesus said, "I will come back," it means with complete certainty, without a shadow of a doubt that He will return to earth someday.

The Old City of Jerusalem, home of the three monotheistic religions (Jewish, Christianity, and Islam). The photo was taken on February 18, 2023, from the east side of Mount of Olives where Jesus ascended over 2,000 years promising His disciples that He would return. Jesus said, "I will

come again and receive you to Myself; that where I am, there you may be also" John 14:3 (NKJV). He said, "But as the days of Noah were, so also will the coming of the Son of Man be. For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, and did not know until the flood came and took them all away, so also will the coming of the Son of Man be." Matthew 24:36-39 (NKJV)

The Mount of Olives where Jesus ascended over 2,000 years promising His disciples that He would return. Jesus said, "I will come again and receive you to Myself; that where I am, there you may be also" John 14:3 (NKJV). He said, "Then the sign of the Son of Man will appear in heaven, and then all

the tribes of the earth will mourn, and they will see the Son of Man coming on the clouds of heaven with power and great glory." The LORD said, "And He will send His angels with a great sound of a trumpet, and they will gather together His elect from the four winds, from one end of heaven to the other." Matthew 24:30-31 (NKJV). The photo was taken from Old City of Jerusalem on May 28, 2011, overlooking the Mount of Olives.

Extra measure of grace from the good LORD and hard work, teamwork, tenacity, and selfless sacrifices by the hundreds of thousands of brave Americans at home and abroad, the Allies and most of all the USAFFE and the Filipino guerrillas made it possible for General MacArthur and his troops to return safely back to the Philippine soil.

Here is the excerpt of his famous speech after landing in Palo, Leyte on October 20, 1944:

"I have returned. By the grace of Almighty God our forces stand again on Philippine soil – soil consecrated in the blood of our two peoples. We have come, dedicated and committed, to the task of destroying every vestige of enemy control over your daily lives, and of restoring, upon a foundation of indestructible, strength, the liberties of your people... The hour of your redemption is here. Your patriots have demonstrated an unswerving and resolute devotion to the principles of freedom that challenges the best that is written on the pages of human history... Let the indomitable spirit of Bataan and Corregidor lead on... For future generations of your sons and daughters, strike! In the name of your sacred dead, strike! Let no heart be faint. Let every arm be steeled. The guidance of divine God points the way. Follow in His Name to the Holy Grail of righteous victory!"

General MacArthur left his troops on March 11, 1942, on Corregidor Island and returned to Leyte Island October 20, 1944 as he promised. (I am honored to visit the hallowed grounds of Corregidor Island in 2006, 2013, 2014, and 2019 and Leyte Island in 1977, 2006, 2007, 2008, and 2019.)

Spiritually speaking, Jesus ascended to heaven 2,000 years ago from the Mount Olives, Israel and His disciples were, and present-day followers are still waiting for His return. (I am honored to have the rare opportunity to visit the sacred ground of Mount Olives, Israel on May 28, 2011, and February 17-19, 21, 2024.) I still believe that Jesus is coming back soon. God operates in kairos, means the right, critical, or opportune moment while man operates in chronos (chronological or sequential time).

The Return - General Douglas MacArthur gave credit to the grace of the Almighty God after returning to the Philippines on Friday 20 October 1944 in Palo, Leyte. General MacArthur, hailed by Filipinos as a great hero, returned to the Philippines because of his love for the people. He helped in liberating

the Philippines and returning their freedom. General MacArthur visited the Philippines following the World War II h always received a "Hero's welcome He was deeply loved and admired by the Filipinos who were his contemporaries. Likewise, General MacArthur had a genuine respect for them. General Douglas MacArthur once said, "Give me 10,000 Filipinos and I shall conquer the whole world," and the story behind these words has defined the bravery of Filipino soldiers on the battlefield. The photo was taken during 75th Anniversary of the Leyte Landings on October 20, 2019, in MacArthur Landing, Palo, Leyte.

On the other hand, Jesus ascended to heaven 2,000 years ago from the Mount Olives, Israel and His disciples were, and present-day followers are still waiting for His return. (I am honored to have the rare opportunity to visit the sacred ground of Mount Olives, Israel on May 28, 2011.) I still believe that Jesus is coming back soon. When is He (Jesus) coming back? I and millions of Christians throughout the centuries and around the world believe Jesus will come back again. Jesus promised His return to the first century believers. The first disciples did not know the exact time when Jesus comes back again. Mark 13:32 says, "But about that day or hour no one knows, not even the angels in heaven, nor the Son, but only the Father." In addition, Jesus told His disciples the signs of His return.

While waiting for Jesus' return to earth the second time, let's spend time doing good for others and help our neighbors in need. One of the positive things you and your organization or church or chapel can do is to help others in need. The idea of helping others is always ingrained in my system ever since I can remember growing up in the farm in Negros, Philippines. It is no surprise that I introduced an initiative such as "Operation Help One Another" (OHOA), a Christian humanitarian-assistance-driven initiative based in San Diego, CA. When I joined the U.S. Navy in February 1990, I introduced the outreach idea of OHOA when I was stationed on board ships, stationed overseas, deployed to a disaster area such as in Barangay Guinsaugon, St Bernard, South Leyte landslide in February 2006, and in the War Zone in Iraq. Later, I was able to incorporate the concept into the missions of the forward-deployed units when I was stationed in Okinawa from 1997-2000 and 2003-2007. It continued when I was stationed in Petaluma, California, Newport, Rhode Island, Silverdale, Washington, Naples, Italy, and San Diego, California. During the holidays, I led in the collection of collection of holiday toys and humanitarian items for the poor people, children, refugees, and migrants where I was stationed in the Far East Nations, CONUS, and Europe countries.

Let's spread the Good News that Jesus loves everyone and that He died for our sins, and He promises heaven for those who believe. Jesus may come back tomorrow, next month, next week, next year or 1,000 years from now. The Apostle Peter said, "Dear friends, don't let this one thing escape you: With the Lord one day is like a thousand years, and a thousand years like one day. The Lord does not delay His promise, as some understand delay, but is patient with you, not wanting any to perish but all to come to repentance" 2 Peter 3:8-9 (HCSB).

Disturbing current events are happening such as the unending warfare in the Middle East, Ukraine versus Russia, and in many countries around the world. The natural and man-made disasters such as El Nino and Super typhoons and tsunamis in the Pacific, Super Storms/Hurricanes in the Atlantic, and worldwide floods and earthquakes including the recent earthquake in Pozzuoli, Italy and the eruption of Russian volcano called "Raikoke" affect millions of people around the globe. Signs of Jesus' approaching Second Coming abound.

Additionally, Jesus mentioned in the last days there will be cunning works of the deceivers who will come in His name, saying, 'I am the Messiah.'

He reiterated to His disciples, "You are going to hear of wars and rumors of wars... nation will rise up against nation, and kingdom

against kingdom. There will be famines and earthquakes in various places. All these events are the beginning of birth pains... they will hand you over for persecution, and they will kill you. You will be hated by all nations because of My name. Then many will take offense, betray one another and hate one another... lawlessness will multiply, the love of many will grow cold. But the one who endures to the end will be delivered. This good news of the kingdom will be proclaimed in all the world as a testimony to all nations. And then the end will come." (Matthew 24:3-14).

When General MacArthur returned to the Philippines, he was warmly welcomed by his soldiers, sailors, and liberated Leytenos on October 20, 1944, in Palo, Leyte. He gave credit to the LORD saying the "grace of Almighty God" made it possible for him and his 130,000 landing forces' safe return and reunion with his other forces. He concluded his discourse, "The guidance of divine God points the way. Follow in His Name to the Holy Grail of righteous victory!" It was "righteous victory" indeed!

Since we really do not know the exact time when Jesus returns, I recommend embracing the U.S. Coast Guard motto, "Always Ready" (Semper Paratus). Always be ready for the Second Coming of Jesus Christ! The 21st high technology makes it possible to see Jesus literally when He returns. The Apostle Paul reminds us, "For the Lord Himself will descend from heaven with a shout, with the archangel's voice, and with the trumpet of God, and the dead in Christ will rise first. Then we who are still alive will be caught up

together with them in the clouds to meet the Lord in the air and so we will always be with the Lord. Therefore encourage one another with these words" (1 Thessalonians 4:16-18 HCSB).

Any day now! Hear the trumpet of God sounds. Any day now! Watch, pray, help the helpless, and focus on Jesus' return. Any day now! The greatest Homecoming of all time is coming soon. Are you ready? The only way that you are truly ready is for you to say this prayer believing in Jesus as your Savior with all your heart:

"Dear God, I know that I'm a sinner. I'm sorry for my sins. I ask you to forgive me for all my sins. I believe in Jesus Christ as my Savior and LORD. I believe He died for my sins and that You raised Him from the dead to life. Jesus, I now place my trust in You and I surrender my life to You. Please come into my life right now and fill me with Your Holy Spirit. The Bible promises that when I die, I will be with You forever and ever. I pray this in the Holy name of Jesus. Amen."

Welcome to God's Family! Jesus said, "Most assuredly, I say to you, he who hears My word and believes in Him who sent Me has everlasting life, and shall not come into judgment, but has passed from death into life." John 5:24 (NKJV)
